POLICE ASSOCIATION

August 8th to August 22nd, 2020

1. OBLIGATION OF THE APPLICANT – TERMS AND CONDITIONS

You are going abroad as a representative for your country and your IPA National Section will be judged according to the way you conduct yourself. You should therefore remember that you are an ambassador and as such, you are responsible for your conduct and general behaviour.

The aim of the trip is to introduce you with persons from other countries so that you will learn their way of life, their thinking and their culture. In that way, this will allow to promote better understanding between peoples in the best traditions of the International Police Association. You should therefore try to establish and afterwards maintain contact with your new friends – in other words “be a mixer and become involved”.

Every participant will be required to produce a written report of their experience during the Gathering.

Participants are **prohibited from consuming alcohol and other drugs**. You will not be permitted to drive a motor vehicle while under the control of the International Youth Gathering. You will immediately go back home in case the Organisers decide that your actions and conduct are not in the spirit of the International Police Association.

Those who do not agree with these guidelines and are not prepared to conform to the rules, should not apply for the International Youth Gathering.

2. APPLICANT’S AGREEMENT:

I, the undersigned applicant, hereby acknowledge that I have read the above Terms and Conditions of the International Youth Gathering and agree to honour them without exception. I further understand that during my period of residence with the International Youth Gathering, I will be under the full control of, and responsible to, the Organising Committee and to the adult members of any host families.
